

## **PROCEDURE FOR SELECTION, APPOINTMENT AND RE-ELECTION OF DIRECTORS**

### **As at 30 September 2016**

#### **New Directors**

It is the Policy of the Board that in determining candidates for the Board, the following process shall occur.

1. The Chairperson in conjunction with the Managing Director evaluates the range of skills, experience and expertise of the existing Board. In particular, the Chairperson should identify the particular skills absent from the Board that will increase the Board's effectiveness. Consideration is also given to the balance of independent Directors on the Board.
2. A potential candidate is considered with reference to their skills and expertise in relation to other Board members.
3. If appropriate, the Chairperson recommends a candidate for appointment to the Board. Any appointment made by the Board is subject to ratification by shareholders at the next general meeting.
4. If appointed, each Director appointed to the Board will have a formal written agreement setting out the terms of their appointment.

#### **Board Renewal**

The Board recognises that Board renewal is critical to performance and the impact of Board tenure on succession planning. Re-election of Directors is not automatic.

#### **Size and Composition of the Board**

The Board should be structured in such a way that it has a proper understanding of, and competence to deal with, the current and emerging issues of the business and encourages enhanced performance of the Company.

Reference is made to the Company's size and operations as they evolve from time to time. **Commitment to**

#### **the Board**

Non-executive Directors shall provide to the Chairperson, prior to their appointment or reelection, details of other commitments and an indication of the time involved in carrying out those other commitments.

All Directors should consider the number and nature of their directorships and calls on their time from other commitments.
